TRAVEL RANDOMLY, MOVE FREQUENTLY

ABOUT THE BLOG

Howdy, Hola, Aloha! We are **Kelsey Kay Love & Peter Rimkus** of Travelin' Fools, a blog about how to live anywhere you want with little planning & even less money. Founded in 2013 after our first international move, Travelin' Fools offers a unique perspective on the slow travel way of life... that is, instead of traveling to new places, we move there.

By providing a mixture of content that is charming, entertaining, helpful & informative - from visa costs to local activities to advice on how to live large on a tiny budget - we offer an in-depth perspective of locations like Texas, Costa Rica, Maui, Bali, Australia, New Zealand, & currently, our home base of Thailand! We look forward to working with you.

ABOUT US

Kelsey has spent the last 9+ years working in the marketing industry as a Travel Writer & Copywriter, though occasionally she also bartends when the thought of additional time in front of a computer screen makes her cringe.

Peter is an actual real life merman (merdude?). When he's not working as a professional surf and underwater photographer, he can be found scuba dive instructing, ocean kayak guiding, stand up paddleboard instructing or ski mountain lift operating in rare winter climates.
